

OCCUPATIONAL SAFETY ONLINE TRAINING

ePerehdytys is a user-friendly online training course for completing the general guidance instruction on occupational safety.

ePerehdytys is an easy-to-use online training made for the construction industry to introduce general occupational safety issues in the field. If every worker has completed the general guidance instruction in advance, the guidance at the site can be provided with the focus on the issues and specific characteristics relevant to the particular site.

ePerehdytys online training

- improves occupational safety
- increases productivity
- is always in accordance with regulations
- guarantees employees uniform basic information for safe working
- has multiple language options: Finnish, Swedish, Estonian, Russian, Latvian, Lithuanian, English, Polish, Romanian, Ukrainian and Uzpek
- is developed and maintained in cooperation with industry companies, organizations and authorities

Completing the ePerehdytys training takes about 50 minutes and the certificate of completion is valid for 12 months.

You can complete the ePerehdytys online training as part of the Occupational Safety Card Training. More information ekoulutukset@rateko.fi

Price of the ePerehdytys online training

Price €26 /worker (+ 24 % VAT). Price for RT members €13 /worker (+ 24 % VAT).
